Rose Fair

Saturday 2 July 2016

After the success of last year's Rose Fair stall, we will once again be having a Bric-a-Brac stall and our now infamous alternative raffle. The Committee would be grateful if you could empty your cupboards and donate any good quality items for our stall. We made a good profit on this event last year and raised awareness for our cause, so we would be really grateful for your support. We will also be looking for volunteers to man the stall for two hour shifts – if you are able to volunteer please contact Issy.

Recording Studio Move

•••

It is with great pleasure, and some sadness, that the Committee would like to announce that we will be moving venue.

The access to our recording studio at Peckover House has become an increasing problem to some of our volunteers in recent years – oh the 'joy' of those stairs!

So we have been looking for some alternative ground floor accommodation, and we are pleased to announce we have found some, just over the river, at The Octavia Hill Birthplace Museum (OHBM).

Our final recording session at Peckover House will be Team Two's recording on 14 June. We will be moving out with all our equipment on Saturday 18 June, with our first recording at OHBM being Team One's recording on Thursday 30 June.

The Luxe Cinema

September 2016

We are in the early stages of planning this event. We will hire the entire cinema for one night, so please invite family and friends to buy a ticket. We are hoping to show the wonderfully funny film 'The Lady in the Van' starring Dame Maggie Smith, in the interval we will be holding a raffle with some stunning prizes donated by local businesses. Watch this space for further news!

Move to Octavia Hill Birthplace Museum
